

Dear Patient:

We are delighted that you have chosen our practice for your care and we look forward to your visit.

Your first consultation visit with Dr. Chimata may take 2 hours or more, depending on the complexity of your medical problems and any following visits may take up to 60-90 minutes. Be sure you have allowed enough time for this important visit.

In order to expedite our check-in process, please complete the enclosed paperwork prior to your appointment. When you arrive at our office for your appointment, please present your completed paperwork, proper identification, such as driver's license and all insurance cards.

If you have an insurance plan that requires a referral, you will need to contact your primary care physician and have them forward a referral to our office. We may not be able to see you if a referral is not on file with our office by the scheduled appointment date.

For your convenience, we accept cash, Master card, Visa card, and/or personal checks for payment of your co-pay, co-insurance, or deductible amount.

We have several policies we would like for you to know about before you are examined by Dr. Chimata. These policies are designed to safeguard our patients and our practice.

Sincerely,

Katy Rheumatology & Associates
